2025 Workshop Attendees

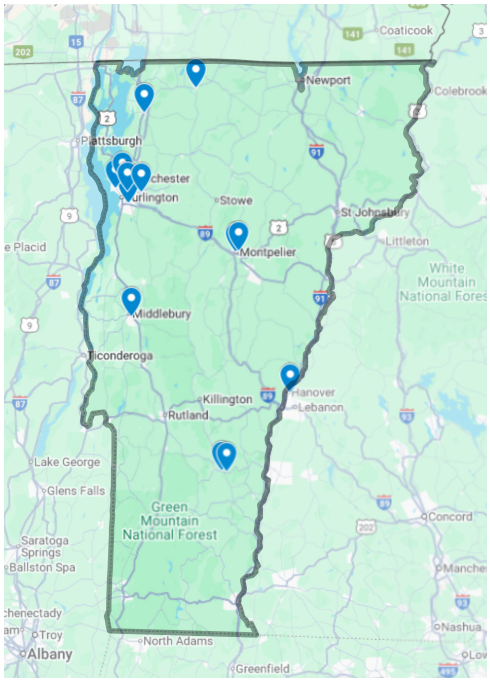

Figure 2: Geographic distribution of schools where workshop attendees teach.

Table 1: Planned schedule of workshop, with real-time adjustment shown

	Monday	Tuesday	Wednesday	Thursday	Friday
AM	EE Basics	Arduino Programming	PCB Design and Layout	PCB Assembly & Test	Robot Assembly
	Lunch				
PM	Analog Circuit Project	Arduino + Sensor Project	Semiconductor Overview & IC Layout	IC Polishing and microscopy	Robot Programming
